RELEASING DEFENDANT FROM MARSHAL
CUSTODY

Mark Freiburghaus appeared before this Court on May 24, 2016 following the filing of a petition charging violations of the terms of his supervised release. The parties and United States Probation agreed that he should be released to a halfway house while the Form 12 petition is pending and the parties investigate the alleged violations. The Court agreed to sign a release order once Judge Wilken modified the conditions of Mr. Freiburghaus' supervised release to include placement in the halfway house and once all necessary paperwork was completed.

At the parties' request, Judge Wilken signed an order modifying the conditions of Mr. Freiburghaus' supervised release to include placement at GEO Care in San Francisco for up to 120 days, as well as a requirement that he not contact the alleged victim without prior approval from

6 in agreement with this course of action.
